Voted Best Preschool in Acworth!

Dear Parents,

We have limited spots available in a few of our classes for the 2021-2022 school year. If you know someone who is looking for a preschool, we appreciate the referral.

Class placement cards will be sent out in May. Your child's teacher will be contacting you the first week in August to introduce themselves to you and provide you with information regarding Parent Orientation and Meet and Greet. We look forward to serving your family next year!

Fine Motor Skill: Tracing

(4's and 5's)

Fine motor skills are developed gradually with repeated practice, and one of the wonderful things about fine motor development is that most of it can be done through play and ordinary daily activities.

- Demonstrate and describe as you trace around your hand. Use dominant hand to trace around non-dominant hand.
 - Practice tracing around a template
 - Practice tracing with stencils.
- Rainbow names: Trace over name in 3 colors.
 - Trace around die cut letters.
 - Trace a “dot-to-dot” figure.
- Use tracing paper to trace over a simple coloring sheet.
